REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents -- Certificate of Correction Branch
PO Box 1450
Alexandria Virginia 22313-1450

Sir:

Patentee hereby requests a Certificate of Correction.

The requested change corrects errors in referring to Figures 41- 44 in the specification.

Each of these is the correction of a mistake by Applicants of a typographical nature. Further, the nature of the requested correction does not involve changes that would constitute new matter or require reexamination.

That the mistake is of a typographical nature (in the application as filed) is evident when one refers to the "Description of the Figures" and also to the erroneous reference in the specification of Figure 45 while only 44 Figures were submitted at the time of filing.

Patentee therefore submits that this is an appropriate case for a Certificate of Correction. Submitted herewith is a completed Form PTO-1050 containing the requested correction.

A return receipt postcard is enclosed.
